

ALUHOM at Interzum 2027 | Cologne | 11–14 May 2027

Aluhom is pleased to announce its participation in the interzum 2027, taking place from May 11–14, 2027 in Cologne. As one of the world's leading exhibitions for furniture production and interior solutions, the event brings together global manufacturers, designers, and innovators.

At the exhibition, Aluhom will showcase its advanced aluminium honeycomb cabinetry solutions, demonstrating lightweight, durable, and sustainable alternatives to traditional cabinetry materials while connecting with international partners and industry professionals.
